

## Adventure 12 & 34 Memory Verses

Winter/Spring 2024

We are working through Psalm 23 (ESV translation) and learning a different part of the passage each week. You'll see that each week they need to recite what they learned previously as well as the next part (in bold). By the end of April, they will have the whole passage memorized! These are the dates they LEARN the verse. They will recite it the following week. They can work ahead but they only earn Club Cash one time for each part of the passage.
