

BEHOLD YOUR KING

• // SERMON NOTES

"The Gospel of Matthew was composed by one of Jesus' original disciples to answer the question, "Is Jesus of Nazareth the Messiah (King) of Israel promised by the Old Testament prophets?" Through many citations of Messianic prophecies and chronicles of the acts and miracles of Jesus, Matthew answers that question with a resounding, "Yes!" What's more, he provides an abundance of Jesus's teaching that is intended to guide his disciples today in their obedience to him until "the end of the age" (Matthew 28:20), when King Jesus will return to this earth to establish his long-awaited kingdom."
