## **About**

Christian Fellowship Church is a non-denominational Bible church located in a small rural community that is just east of Lancaster, Pennsylvania. We are a Bible-believing church that is devoted to scriptural teaching, worship, and community. We are truly a church for the whole family with vibrant ministries for all ages.

If you are interested in the position of Lead Pastor, please read our full job description and doctrinal statement on our website at [cfcnewholland.org](http://cfcnewholland.org).

Please submit your cover letter and resume via email to [christianfellowship71@gmail.com](mailto:christianfellowship71@gmail.com) .

## **Vision**

The phrase "Building a community with Christ to impact a world without Christ" describes our philosophy of ministry. It is our desire that a robust preaching and teaching ministry will be part of a broader strategy of truly impacting our community and world for Christ. Throughout the year we seek to create many opportunities for the congregation to invite the community to engage in our ministries and activities. We also constantly encourage our people to share their faith as they go about their lives. Over the years we have been privileged to send many from our church to serve the Lord around the world.

## **History and Distinctives**

Christian Fellowship Church (CFC) was founded in 1971 by a group of families that left a local Mennonite church over issues of doctrine and practice. They were greatly influenced by Lancaster Bible College and sought to establish a ministry that was committed to a dispensational approach to understanding the scriptures.

Some of our distinctives include the affirmation of the eternal security of the believer, cessation of the sign gifts, a pre-tribulational rapture of the Church, and the premillennial return of Christ. Over the history of the church, CFC has remained committed to a robust preaching and teaching ministry, a well-attended adult and children's Sunday School program and a comprehensive ministry to adults, youth and children.

CFC is also very committed to the cause of world missions. Besides partnering with a number of local parachurch organizations, CFC dedicates more than 25% of its overall budget to foreign missions. Currently, our typical Sunday morning on-site attendance is 500+ along with online attendance of 60+ views per week.

Our Lead Pastor recently moved out of state to be near family, after 17 years of service at CFC. In addition, we have Pastor of Adult Ministries, Pastor of Outreach and Connections, a Minister of Music and Young Adults, a Minister of Youth, and a Director of Children's Ministries.

### **Government**

CFC is an elder-led congregation. Seven elders elected from the congregation for a three-year term along with the Lead Pastor direct the ministry. The pastoral staff reports to the elders monthly and works together closely to address the needs of the ministry.

### **Location and Facility**

CFC is located thirty minutes outside of Lancaster, PA, about an hour from Harrisburg and Philadelphia, and about two hours from Baltimore. New Holland is a town of 5800 people, surrounded by numerous small towns and small farms. Local employers are in the manufacturing and food production industries, and there are several large retirement communities nearby. The region is a significant tourist destination, largely due to the local Amish community. Many in the congregation are small business owners as well as workers in industry and healthcare. The church is in sight of the local high school which has about 250 students per graduating class. We also draw students from four other surrounding public school districts, four private schools, and we have quite a few who homeschool.

We are mortgage-free, fiscally stable, and are blessed with good facilities. A full-sized gym which was added in 1999. In 2012 we added an Adult Learning Center that is heavily utilized for a variety of adult ministries. In 2018 we completed a 13,000 square feet Children's Addition and in 2019, we remodeled & repurposed our Adult Fellowship Hall building. Finally, in 2023, we doubled the size of our main kitchen and expanded the youth ministry area.

### **Special Note**

Please do not attempt to contact the office or staff regarding the status of the position. We will contact you for next steps. Thank you for your interest!
